 April 28 / SCMC-Bend
 May 19 / SCMC-Bend
 June 30 / SCMC-Bend

For more information, call
 the AHA Training Center at
 (541) 693-5845.

ACLS-Anywhere Self-Directed Renewal

HeartCode ACLS Anywhere is a Self-Directed CD-based program that includes computerized microsimulation technology. Students complete the didactic components of ACLS independently, followed by completion of a brief skills session, within 120 days of didactic completion, with an AHA ACLS Instructor.

This program requires an IBM compatible PC and Internet access.

Part 1: Students have 32 hours to complete the self-directed eLearning program. This is actual computer time. (Lessons and AHA book do not use up clock hours)

Part 2: Complete a Skills Verification at your local AHA Training Facility. Usually completed in about 40 minutes. Sessions begin promptly at start time. **Late arrivals may not be admitted into session.**

The following is required at the ACLS skills verification session:

* Completion Certificate from the Heartcode™ ACLS Anywhere Program

* A current AHA Healthcare Provider CPR Certification Card. This program **DOES NOT** include CPR certification.

Part 3: Upon successful completion of the computer program and skills verification session, participants will receive an ACLS Provider card. A course completion card good for two years is issued for all participants in an ACLS Provider course who successfully complete the written examination and skills demonstration.

ACCREDITATION: CME/CE credit awarded from the American Heart Association through the computer program based on the number of hours engaged in the program.

Registration cannot be confirmed until receipt of payment in full. Payment is required prior to mailing of course materials.
 Walk-in and late registrations can be accepted only if space is available.

The American Heart Association strongly promotes knowledge and proficiency in CPR, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the Association.

ADA: St. Charles Medical Center encourages persons with disabilities to participate in its programs and activities. If you anticipate needing any type of accommodation or have questions about physical access provided, please call 693-5845 or email cprandfirstaid@scmc.org at least two weeks in advance of course or visit.

REFUND POLICY: **Course fees will not be returned if cancellation is within 14 days of course or if participant does not show the day of class.**
 All registrations, cancellations, and transfers are subject to a \$20.00 processing fee. Refund for book fees will only be considered if books are returned in good condition prior to class.
