

## **Grand Rounds**

The intent of the Grand Rounds series is to present information in keeping with the needs of the broadest possible physician audience. The purpose of CME is to enhance the physician's ability to care for patients. It is the responsibility of the St. Charles Education Committee to assure that CME activities are designed primarily for that purpose. Grand Rounds are at 0700 in the Center for Health & Learning at St. Charles Medical Center – Bend, Conference Rooms C & D.

## **Accreditation**

### ***Physicians:***

Grand Rounds: Cascade Healthcare Community is accredited by the Oregon Medical Association to sponsor Continuing Medical Education for physicians. Cascade Healthcare Community designates this educational activity for a maximum of 1.0 *AMA PRA Category 1 Credit™* (for each Grand Rounds). Physicians should only claim credit commensurate with the extent of their participation in the activity.

### ***American Academy of Family Physicians:***

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending. The AAFP invites comments on any activity that has been approved for AAFP CME credit. Please forward your comments on the quality of this activity to [cmecomment@aafp.org](mailto:cmecomment@aafp.org).

### ***Pharmacists:***

Application for CE credit has been filed with the Oregon Board of Pharmacy. Determination of credit is pending.

### ***Nurses:***

Provider approved by the California Board of Registered Nursing, Provider Number 8050 for 1.00 contact hour for each hour attended.

## **Faculty Disclosure Statement**

To ensure the independence of CME activities, St. Charles Medical Center adheres to the Accreditation Council of Continuing Medical Education's Standards for Commercial Support. Prior to a CME activity, faculty must disclose to learners any relevant financial relationship(s), to include the name of the individual, the name of the commercial interest(s); and the nature of the relationship the person has with each commercial interest. For faculty with no relevant financial relationship(s), the learners must be informed that no relevant financial relationship(s) exist.

## **ADA Statement**

St. Charles encourages persons with disabilities to participate in its programs and activities. If you anticipate needing any type of accommodation or have questions about the physical access provided, please contact Tracy Parmele in advance of your participation or visit.

## **Comments or Questions about the CME Program?**

Contact Tracy Parmele, Education Specialist at 541-617-2605; e-mail [tparmele@scmc.org](mailto:tparmele@scmc.org). Education Committee members (listed below) also welcome your input.

## CONTINUING MEDICAL EDUCATION

# C.M.E

## First Quarter 2007 Program Calendar

# C·M·E 2007 - First Quarter Program Calendar

## January Grand Rounds

January 5, 2007, 0700-0800

### ***"Adult Growth Hormone Deficiency Syndrome"***

David Cook, MD, Professor, OHSU; Interim Division Chief, Division of Endocrinology, Department of Medicine, OHSU

*At the completion of this education activity, participants will be able to:* 1) Define adult GH deficiency syndrome and contrast it with the pediatric syndrome. 2) Explain how the diagnosis is made on a laboratory basis and a presentation basis. 3) Discuss the targets for therapy and show how the targets differ in different age groups. 4) Explain dosing issues (i.e., how much to give and how the doses compare with pediatrics and adults). 5) Outline what might modify or change the dose of GH.

January 12, 2007, 0700-0800

### ***"Rectal Cancer: Current Trends and Evolving Therapies in a Multidisciplinary Disease"***

J. Mark Maddox, MD, General Surgery, Advanced Specialty Care  
Stephen Kornfeld, MD, Oncology/Hematology, Bend Memorial Clinic

*At the completion of this education activity, participants will be able to:* 1) Evaluate the current approaches to diagnosis and staging of rectal cancer. 2) Describe techniques used to preoperatively stage rectal cancer. 3) Explain how clinical staging drives management decisions. 4) Discuss the indications for preoperative and postoperative radiation therapy. 5) Evaluate surgical strategies, intra-operative staging, and recent advances in surgical techniques. 6) Discuss the impact of newer chemotherapy regimens on the management of rectal cancer. 7) Discuss the importance of multidisciplinary input and collaboration to outcomes for patients with rectal cancer.

January 19, 2007, 0700-0800

### ***"A Current Approach to Treating Fibromyalgia"***

Daniel Joseph Clauw, MD, Professor of Medicine, Division of Rheumatology  
Assistant Dean for Clinical and Translational Research Director, Chronic Pain and Fatigue Research Center Director, Center for the Advancement of Clinical Research, The University of Michigan

*At the completion of this education activity, participants will be able to:* 1) Identify the clinical features commonly seen in individuals with Fibromyalgia. 2) Describe the systemic and regional syndromes that overlap with Fibromyalgia. 3) Describe some of the likely pathogenic mechanisms playing a role in Fibromyalgia. 4) Discuss the most appropriate treatments for Fibromyalgia.

January 26, 2007, Quarterly Medical Staff Meeting

### ***Grand Rounds Redmond***

Monday, January 15, 2007, 0700-0800,  
St. Charles Medical Center – Redmond, Ponderosa Conference Room

### ***"Issues in Genetics and Screening of Cancer Patients"***

Stephen Kornfeld, MD, Hematology/Oncology, Bend Memorial Clinic

*At the completion of this education activity, participants should be able to:* Discuss issues in genetics and screening of cancer patients, including colon, rectal, breast, ovarian and melanoma.

## February Grand Rounds

February 2, 2007, 0700-0800

### ***"Spinal Arthroplasty: A Paradigm Shift"***

Mark Belza, MD, Neurosurgery, The Center: Orthopedics and Neurosurgical Care & Research

*At the completion of this education activity, participants will be able to:* 1) Describe indications, candidate pool and inclusions/exclusions criteria for a double-blinded study in the evaluation of artificial disks. 2) Discuss the pros and cons of fusions versus artificial disks. 3) List outcome data to assist primary care providers in answering patient questions.

February 9, 2007, 0700-0800

### ***"Management of Urinary Incontinence and Pelvic Prolapse"***

Cynthia Mosbrucker, MD, Gynecology, private practice, Bend

*At the completion of this education activity, participants will be able to:* 1) Identify patients with incontinence and for prolapse that would benefit from pelvic construction or anti-incontinence procedures. 2) Describe the difference in treatment strategies for patients with stress and urge incontinence.

February 16, 2007, 0700-0800

### ***"Diabetes: The New Future"***

Eden Miller, DO, Family Medicine, High Lakes Health Care, Sisters

*At the completion of this education activity, participants will be able to:* 1) Recognize recent advancements in the treatment of diabetes using the incretin hormones, insulin pump and wireless meter. 2) Discuss the integrated medical approach to the treatment of diabetes using therapies that have additional affects for diabetics such as heart disease and stroke.

February 23, 2007, 0700-0800

### ***"Managing Challenging Patients: Crossing Cultural Divides"***

Sunita Mutha, MD, FACP, Associate Professor, Division of General Internal Medicine, University of California, San Francisco

*At the completion of this education activity, participants will be able to:* 1) Identify signs of communication breakdown in interactions with patients. 2) List common causes of communication breakdown. 3) Employ techniques for eliciting patients' beliefs and concerns.

March 23 & March 30, 2007, No Grand Rounds

### **SKILLS COURSES**

***Target Audience: CONet physicians, nurses, allied health.***

ACLS Provider 2-day Course, ACLS Renewal 1-Day Course, ACLS-HeartCode™, PALS Provider 2-Day Course, PALS Renewal 1-Day Course.  
For more information on the above courses, call the AHA Training Center at St. Charles, 541-693-5845.

NRP Renewal, January 17, 0800-1200 or 1300-1700, February 8, 1700-2100 and March 21, 0800-1200 or 1300-1700.

For more information on NRP courses, call Continuing Medical Education at St. Charles, 541-322-4767.

These activities have been approved for *AMA PRA Category 1 Credit™*.

### **Pain Management Education for All Oregon Physicians and other healthcare providers:**

Effective January 1, 2006, physicians and other healthcare professionals will be required to complete six hours of pain management education, and one hour of Oregon-specific pain management education, as a condition for license renewal. This is a one-time requirement.

One way to meet this requirement is through on-line CME with the American Medical Association. "Pain Management: the Online Series" offers 12 credits total, 1 credit each. <http://www.ama-assn.org/ama/pub/category/13497.html>.

The Oregon Pain Management Commission, established within the Department of Human Services as a result of Senate Bill 885, is the provider of the one-hour **Oregon-specific** pain education. To fulfill this requirement, go to: [www.oregonpain.org](http://www.oregonpain.org)
