

Grand Rounds

The intent of the Grand Rounds series is to present information in keeping with the needs of the broadest possible physician audience. The purpose of CME is to enhance the physician's ability to care for patients. It is the responsibility of the St. Charles Education Committee to assure that CME activities are designed primarily for that purpose. Grand Rounds are at 0700 in the Center for Health & Learning at St. Charles Medical Center – Bend, Conference Rooms C & D, and broadcast live to St. Charles Medical Center—Redmond.

Accreditation

Physicians:

Grand Rounds: Cascade Healthcare Community is accredited by the Oregon Medical Association to sponsor Continuing Medical Education for physicians. Cascade Healthcare Community designates this educational activity for a maximum of 1.0 *AMA PRA Category 1 Credit*[™] (for each Grand Rounds). Physicians should only claim credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians:

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending. *The AAFP invites comments on any activity that has been approved for AAFP CME credit. Please forward your comments on the quality of this activity to cmecomment@aafp.org.*

Pharmacists:

Application for CE credit has been filed with the Oregon Board of Pharmacy. Determination of credit is pending.

Nurses:

Provider approved by the California Board of Registered Nursing, Provider Number 8050 for 1.00 contact hour for each hour attended.

Faculty Disclosure Statement

To ensure the independence of CME activities, Cascade Healthcare Community adheres to the Accreditation Council of Continuing Medical Education's *Standards for Commercial Support*. Prior to a CME activity, faculty must disclose to learners any relevant financial relationship(s), to include the name of the individual, the name of the commercial interest(s); and the nature of the relationship the person has with each commercial interest. For faculty with no relevant financial relationship(s), the learners must be informed that no relevant financial relationship(s) exist.

ADA Statement

Cascade Healthcare Community encourages persons with disabilities to participate in its programs and activities. If you anticipate needing any type of accommodation or have questions about the physical access provided, please contact Tracy Parmele in advance of your participation or visit.

CONTINUING MEDICAL EDUCATION

C.M.E

Second Quarter 2007 Program Calendar

C·M·E 2007 - Second Quarter Program Calendar

April Grand Rounds

April 6, 2007, 0700-0800

“Preoperative Evaluation of Patients with Multiple Co-morbidities”

Gary Stier, MD, Associate Professor of Anesthesiology and Critical Care Medicine; Medical Director, Surgical-Trauma Intensive Care Unit, Loma Linda University Medical Center, Loma Linda, California

Objective: Describe best practices for preoperative assessment in preparing patients with significant co-morbidities for surgery.

April 13, 2007, 0700-0800

“Family Practice Guidelines in the Treatment of Pediatric ADHD”

Tim Blumer, DO; Child & Adolescent Psychiatry, Mariposa Family Center, Redmond

Objectives: 1) Review important aspects of the clinical picture of pediatric ADHD in various stages of development and the importance of “best practice” treatment. 2) Discuss a diagnostic paradigm for ADHD in the busy family practice. 3) Apply the various rating scales necessary for ADHD diagnosis and identifying co-morbidities. 4) Utilize a treatment paradigm for starting and following treatment of ADHD.

April 20, 2007, 0700-0800

“Severe Sepsis and Septic Shock: Transition from Research to Standard Care”

H. Bryant Nguyen, MD, MS, Director, Emergency Critical Care, Department of Emergency Medicine, Loma Linda University Medical Center and Children's Hospital; Assistant Professor School of Medicine, Loma Linda University

Objectives: 1) Define early recognition of severe sepsis and septic shock. 2) List recent advances in therapy for severe sepsis and septic shock. 3) Describe the significant benefits of implementing an early sepsis treatment strategy/program with respect to outcomes in patients with severe sepsis and septic shock.

April 27, 2007 - NO GRAND ROUNDS

Quarterly Medical Staff Meeting

SAVE THE DATE!

Mark your calendar for the **13th Annual Cardiovascular Medicine in the Cascades Conference**, scheduled for **August 16—18, 2007** at Mt. Bachelor Village Resort in Bend.

For more information, contact Tracy Parmele at St. Charles Medical Center—Bend, (541) 617-2605, or e-mail tparmele@scmc.org. Look for program brochure this spring!

REDMOND GRAND ROUNDS APRIL 23, 2007, 0700-0800

Ponderosa Conference Room

“Neuropathic Pain:

New Strategies to Improve Clinical Outcome”*

David Sibell, MD, Assistant Professor: Department of Anesthesiology & Perioperative Medicine, Oregon Health & Science University; Faculty, OHSU Pain Management Center

Objectives: 1) Identify neuropathic pain conditions. 2) Recognize the pathophysiology of neuropathic pain states. 3) Apply pharmacological and non-interventional therapeutic options for neuropathic pain. 4) Apply interventional options designed to treat neuropathic pain states.

*Meets pain management education requirement for licensure.

May Grand Rounds

May 4, 2007, 0700-0800

“Cancer Genetics for the Novice”

Steve Kornfeld, MD, Oncology, Bend Memorial Clinic

Objective: Discuss issues in genetics and screening of cancer patients, including colon, rectal, breast, ovarian and melanoma.

May 11, 2007, 0700-0800

“Barrett’s Esophagus:

Historical Perspective and Future Advances”

C. Daniel Smith, MD, W. Dean Warren Distinguished Professor of Surgery, Emory University School of Medicine

Objectives: 1) Review the historical context of treatment of Barrett's esophagus versus new techniques. 2) Review the history of ablation treatments for Barrett's esophagus. 3) Review the current data on outcomes and complications of ablation therapies.

May 18, 2007, 0700-0800

“Doctor...Tie Your Shoes Before You Trip:

Prevention of Medical Errors”

Arnold Mackles, MD, MBA, LHRM, Licensed Healthcare Risk Manager, Healthcare Compliance Consultant, West Palm Beach, Florida

Objectives: 1) Discuss the prevalence and impact of medical errors. 2) Review JCAHO standards for sentinel events and patient safety goals. 3) Discuss the five most frequently misdiagnosed conditions. 4) Compare traditional versus systems approach to preventing medical errors. 5) Discuss areas of health care that have particularly high rates of medical errors and outline techniques for physicians and nurses to avoid common mistakes.

May 25, 2007 – NO GRAND ROUNDS

Memorial Day Weekend

1 HOUR CASE PRESENTATION EDUCATION

(Target Audience: CONet physicians, nurses, allied health)

Cancer Clinical Conference (Tumor Board) – Wednesdays at 0700. SCMC – B, Conference Room C&D. Cancer Clinical Conferences are broadcast via videoconference to SCMC - Redmond.

Cardiac Clinical Conference – Tuesdays at 0700. SCMC – B, Conference Room D. Gastroenterology Clinicopathologic Conference – 1st Thursday at 0700. SCMC – B, Location varies.

Endocrinology Multidisciplinary Conference – Quarterly, 2nd Tuesday, (June, September and December) at 0700. SCMC - Bend, location varies.

Multidisciplinary Breast Conference – 2nd & 4th Thursdays at 0700. SCMC - B, Location varies.

Vascular Clinical Conference – Every even month, 3rd Thursday, April/June at 0700. SCMC – B, Location varies.

These activities have been approved for *AMA PRA Category 1 Credit™*.

SKILL COURSES

Target Audience: CONet physicians, nurses, allied health.

ACLS Provider 2-day Course, ACLS Renewal 1-Day Course, ACLS-HeartCode™, PALS Provider 2-Day Course, PALS Renewal 1-Day Course. For more information on the above courses, call the AHA Training Center at St. Charles, 541-693-5845.

NRP Renewal. For more information on NRP courses, call Continuing Medical Education at St. Charles, 541-322-4767.

These activities have been approved for *AMA PRA Category 1 Credit™*.

June Grand Rounds

June 1, 2007, 0700-0800

“When Should I Call a Surgeon for a Fundoplication?”

John G. Hunter, MD, Mackenzie Professor and Chair of Surgery, OHSU

Objectives: 1) Review the spectrum of treatment options for GERD. 2) Describe the “triggers” for surgical consultation. 3) Discuss the surgical evaluation of a GERD patient, and the expected outcome of surgical therapy.

June 8, 2007, 0700-0800

“Best Practice Guidelines for Community-Acquired Pneumonia”

David N. Gilbert, MD, MACP, Director of Infectious Diseases Program, Providence Health System

Objectives: 1) Identify patients for hospital admission with community-acquired pneumonia (CAP) and perform appropriate diagnostic tests. 2) Apply the performance measures that represent the best practices for the treatment of CAP.

June 15, 2007, 0700-0800

“Review of Common Skin Lesions and Treatment Options for Non Melanoma Skin Cancer”

William Delgado, MD, Bend Dermatology

Leslie Carter, MD, Deschutes Dermatology Center

Objectives: 1) Recognize common skin lesions and dermatologic conditions. 2) Discuss non-melanoma skin cancer treatment options.

June 22, 2007, 0700-0800

“Pediatric Pain Management: The Essentials”*

Jeffrey Koh, MD, MBA, Associate Professor, Division of Pediatric Anesthesia and Perioperative Medicine, OHSU

Objectives: 1) Define the current view of pain physiology in children. 2) Describe which pain assessment tools are appropriate for pediatric patients. 3) Be able to plan and implement acute pain management strategies. 4) Describe the basics of procedural pain management. 5) Discuss the importance of a multidisciplinary approach to treating chronic pain.

*Meets requirement for one hour of pain management education

June 29, 2007 - NO GRAND ROUNDS

Independence Day weekend

Pain Management Education for Physicians and other healthcare providers: Effective January 1, 2006, physicians and other healthcare professionals will be required to complete six hours of pain management education, and one hour of Oregon-specific pain management education, as a condition for license renewal. *This is a one-time requirement.*

One way to meet this requirement is through on-line CME with the American Medical Association. “Pain Management: the Online Series” offers 12 credits total, 1 credit each. <http://www.ama-assn.org/ama/pub/category/13497.html>.

The Oregon Pain Management Commission, established within the Department of Human Services as a result of Senate Bill 885, is the provider of the one-hour Oregon-specific pain education. To fulfill this requirement, go to: www.oregonpain.org
