WE HAVE LOST OUR

*LOCAL
FOCUS*

*In SMALL TOWN
AND RURAL
AMERICA*

STP

***SAME
TEN
PEOPLE***

***LOCAL HAZARDS
LOCAL RISKS
LOCAL
PRIORITIES***

**In Rural America
there is one key word:**

Community

REFOCUS

to

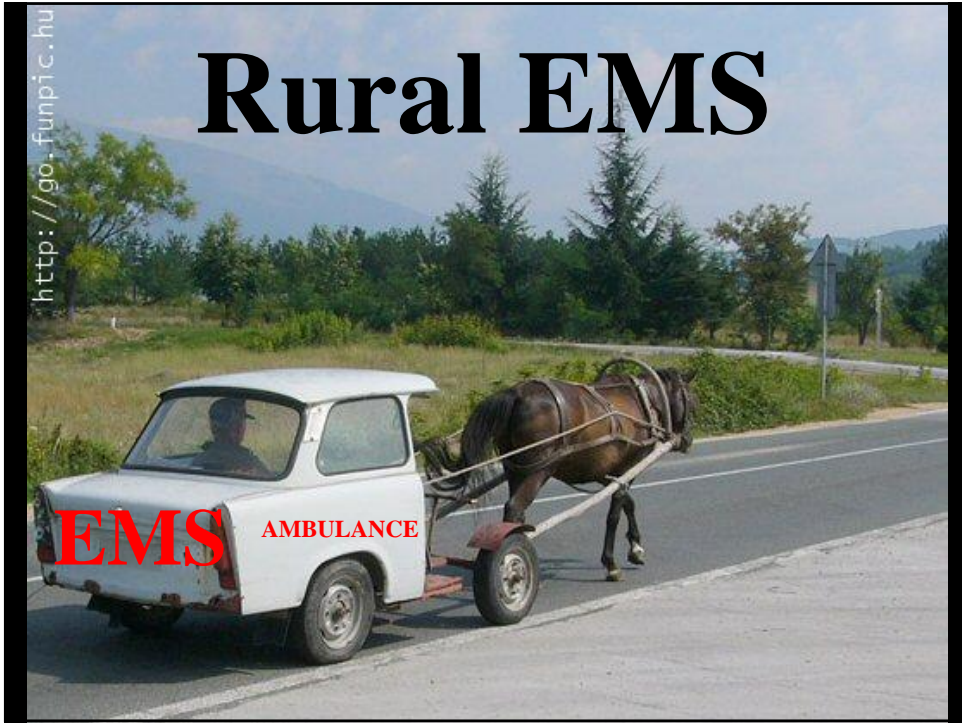

LOCAL

**Things Really
Are Different Locally
“Out in the Boonies”**

***But there are
misconceptions!***

**“Same
Day
Service”**

**In rural areas,
The question is not,
“Who is a
TERRORIST?”**

But,

**“Who can
hurt me?”**

Are these

Terrorists?

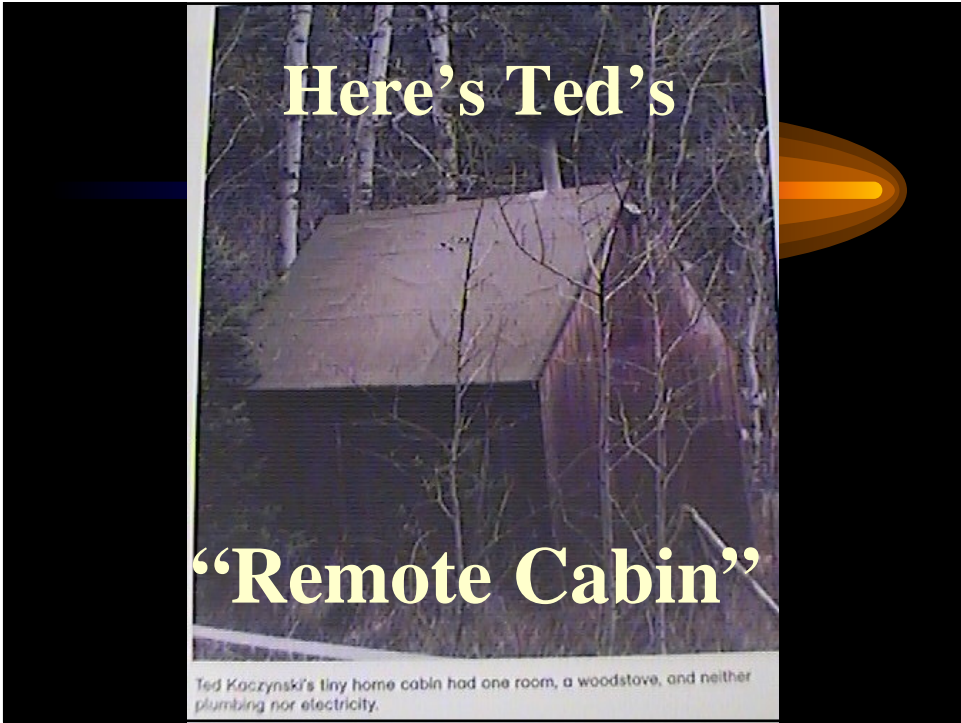

**Can they hurt
you?**

***TAKE TIME
TO
REVIEW
BASICS***

**Odds of
“TERRORISM”
happening with U.S.A.
as Target?
Almost 100%**

**Odds of
“TERRORISM”
happening in
your rural area?**

**Odds of
“TERRORISM”
happening in your
home town?
Almost Nil!**

Odds of a
F.E.M.A.
Disaster?

*No one can get excited
about **TERRRORISM**
when odds are
SO LOW!*

*No one can get excited
when
**HAZARDS & RISKS
ARE NOT LOCAL!***

*No one can **STAY**
excited when it's
not affecting them
PERSONALLY!*

**What does
make sense to
Rural
America?**
